
Medicine Hat Tigers -Team Signed Banner

I have a very rare an unique collectible for anybody out there that is a Medicine Hat Tigers Fan.

I have an unused Memorial Cup street banner that is signed by the ENTIRE Tigers team from the Vancouver Memorial Cup.

I want to stress that I want it to go where it will be appreciated, and not just thrown in a closet somewhere. I want nothing for it...if you are out of town, I would just ask that you pay for the shipping and packaging.

If anybody is interested, please email me.
